FDC STUDENT FUNDRAISING GUIDELINES

Each student in FDC is required to fundraise \$200 for the season to go toward the general FDC budget. The boosters will provide multiple opportunities for students to fundraise this money at the beginning of the show choir season. If you do not wish to fundraise, you may pay this amount out of pocket. Any additional funds above the \$200 will be put into the student's individual fundraising account. Guidelines for the additional funds raised above the \$200 requirement are as follows:

- Can be used for:
 - Show choir shoes (Dinkles or Character Shoes)
 - FDC rehearsal t-shirts
 - Additional Costuming (i.e. undergarments, nylons, socks etc.) if required
 - Hospitality Payment costs
 - Costume Deposit
 - Food money for FDC competition travel.
 - Must be requested 3 days in advance from the treasurer and the requested money must be available in the student's account.
 - Only for out-of-town competitions/weekend trips.
 - Maximum request of \$30 per day.
- Students who wish to use additional fundraised funds to pay for items on the Registration Form (listed above) may do so. Please note that all items ordered at the time of registration must be paid in full NO later than November 20, 2023. You may use additional fundraised funds, check, cash or Venmo to pay for these items. We also have use of our square account if needed. Please contact the treasurer if you would like to pay by credit card.
- Additional funds that are remaining in a student account at the end of the season will be rolled over to the next year.
- FDC students may transfer any additional funds to/from their band account if needed.
- Graduating seniors who have balances remaining in their account can be transferred to an incoming sibling.
- Funds remaining in a graduating senior's account who does not have a sibling in the program will be either absorbed by the music boosters or can be used to purchase musical equipment.
 - All music equipment purchases need to be made by the Music Booster organization and shipped to the school and will then be delivered to the student, unless prior arrangements are made. All purchases need to be pre-approved by the Music Booster officers.
